A. SUPPORTING INFORMATION

1. The Chartered Institute for Public Finance and Accountancy (CIPFA) in association with the Society of Local Authority Chief Executives (SOLACE) re-published the revised '*Delivering Good Governance in Local Government*' Framework in 2016. This sets the standard for governance in local government in the UK. The Framework is intended to assist local government bodies develop and shape an informed approach to governance and to achieve the highest standards in a measured and proportionate way. The Framework was supplemented by police specific guidance which was also revised by CIPFA in 2016¹.
2. The Commissioner and the Chief Constable each has a separate Code of Corporate Governance. Previously consideration was given to combining the two codes into one document. However, they have been retained as separate documents so that they reflect clearly the separate legal identities of the PCC and the Chief Constable and their specific individual responsibilities.
3. The codes were previously reviewed by the JIAC in April 2017. The Commissioners and Force Codes have not changed since this date.

¹ CIPFA '*Delivering Good Governance in Local Government*' guidance notes for Policing Bodies in England and Wales (2016).

Following assessment against the current CIPFA guidance¹ they continue to be considered to be fit for purpose.
