Why then are Black British Christians more likely to be stopped than any other race in Britain. Even during a time of war against terror?

Could it be because the Black British Christian population does not have the same wealth, lucrative investment deals, or the robust political representation to affect the status quo?

Or is the British slave mentality of the 1800's so ingrained within Political, judicial and media mind, that it is unwilling to acknowledge that the self appointed superior racial grouping has a spiralling crime rate, out stripping any other race in the UK. The continued blinkered, but tried and tested use of the "inferior" black population as the sacrificial woe's of this country, is the man clinging to the belief that he will always be above the effects of the hang mans noose, even as it begins to tighten?

Our greatest concern is the steadfast support for a body that is estimated to have 1/3 of its police force in England and Wales belonging to right wing/nationalist extreme parties or groups, but are able to perform their duties without bias regardless of their extreme

<p>views/beliefs; unlike other extreme groups that the force deem dangerous. Do the commissioners support the abilities of those police officers who belong to such groups, and should they be allowed to continue in such a roll considering the diverse society we now live in?</p> <p>The message that the police force in England and Wales is sending out to white criminals is – if you have a number of Black British people living in your area, you are up to 17 times more likely to get away with criminal acts due to the mindset of the police force and the Commissioners who continue to endorse racial implicit/explicit basis profiling.</p> <p>The sums no longer add up. We want a full explanation for this discrepancy and what real changes regarding stop and search of black British citizens and what immediate action are going to be taken tackling the higher number of crime committed within the white community?</p>

The estimated duration of the appointment would be appreciated if it is easily accessible. ('Meeting with Chief Constable' would, for instance, be fine as a summary – I'm not looking for a detailed agenda for each appointment.) I'm not interested in appointments where someone deputised for the PCC. Please also indicate dates when the PCC was on leave. Where entries need to be redacted, please still provide the time and date of the appointment, as part of my research is to establish how many meetings the PCC has had.</p>	<p>Please find attached a scanned copy of the Police and Crime Commissioner's appointments diary for the period 1 July to 31 December 2015. The appropriate limit as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004 is £450 which equates to a total of 18 hours work. If a request exceeds the fees limit then Section 12 will apply. In order to provide you with the cost of travel expenses broken down into mileage claims, claims for taxis, trains and air travel it would be necessary to retrieve and review every expense claim submitted over the last 3 years by individual members of staff and to manually split out the different categories of travel. It is estimated that this would take approximately 25 to 30 hours. Therefore the cost of locating and retrieving the requested information would exceed the appropriate limit. However, if you are only seeking the annual salary for Mr Alan Hardwick, the Police and Crime Commissioner for Lincolnshire then I can confirm that his gross salary for 2015/16 was £65,000. (Note: Requestor did not reply) • I have assumed that you are interested in learning what the Police and Crime Commissioner has achieved during 2015/2016. Section 22 of the Freedom of Information Act provides an exemption for information that is due to be published in the future. This exemption applies to your request as the Police and Crime Commissioner will shortly be publishing his Annual Report 2015/16 which will highlight his achievements over the past year. This is expected to be published on the Commissioner's web site (http://www.lincolnshire-pcc.gov.uk/homepagepccclincs.aspx) in June 2016.

<p>Please provide information on the financial position, for 2014/15 and 2015/16 for your police force and whether it is in surplus or deficit and the level thereof. Please set out the gross assets and liabilities of the force.</p>	<p>The information requested for financial year 2014/15 is exempt from disclosure under Section 21 of the Freedom of Information Act 2000 (information accessible to the applicant by other means). We are not required to release this information if it is reasonably accessible to you in another way. Information that falls within the scope of your request is published in the Police and Crime Commissioner (PCC) and Chief Constable's Statements of Accounts, which can be accessed from the PCC's website using the following links:</p> <p>PCC Statement of Accounts 2014/15: http://www.lincolnshire-pcc.gov.uk/Document-Library/PCC-Accounts-2014-15-Web-Version.pdf Chief Constable's Statement of Accounts 2014/15: http://www.lincolnshire-pcc.gov.uk/Document-Library/Chief-Constable-Accounts-2014-15-Web-Version.pdf</p> <p>The information requested for financial year 2015/16 is exempt from disclosure under Section 22 of the Freedom of Information Act 2000 (information intended for future publication). Section 22 provides that:</p> <p>1. Information is exempt if –</p>

	<p>a) The information is held by a public authority with a view to its publication, by the authority or any other person, at some future date (whether determined or not).</p> <p>b) It is reasonable in all circumstances that the information should be withheld from disclosure until the date referred to in paragraph a).</p> <p>Section 22 is a qualified exemption subject to the public interest test. I have considered the public interest in releasing the requested information, which forms part of the PCC and Chief Constable's Statements of Accounts, against the interest in withholding it. The exemption recognises that it must be reasonable to withhold the information until the date of publication. Given the necessary preparation and administration involved in publishing the Statements of Accounts, which includes the collation and submission of the information for consideration by the PCC and Chief Constable's Joint Independent Audit Committee, I consider that our publication timetable to be reasonable. I have therefore concluded that the public interest in withholding this information outweighs the public interest in releasing it. It is anticipated that the Statements of Accounts for 2015/16 will be published by the end of July 2016.</p>
<p>I would like to receive details under the freedom of information act of the expenditure on translators and interpreters in the last fiscal year both as an amount and percentage of budget.</p>	<p>Information not held by PCC.</p>
