A. NON-CONFIDENTIAL FACTS AND ADVICE TO THE PCC

A1. INTRODUCTION AND BACKGROUND

1. The Police and Crime Commissioner has a statutory obligation to engage with communities under the Police Reform and Social Responsibility Act 2011. This is reflected as a priority within the Police and Crime Plan, with specific reference to engaging with young people (see section A2).
2. Since 2013, Leaders Unlocked has collaborated with ten PCCs to develop the 'Youth Commission on Police and Crime'. The Youth Commission provides a structured system for enabling young people aged 14-25 to shape the future

policing and crime prevention in their areas, working in partnership with their PCCs and police forces.

3. The Youth Commission model is based on recruiting a core group of young adults aged 14-25 and providing them with the skills training, tools and support to engage other young people in a 'Big Conversation' about agreed priority issues. This process gains honest insights from young people who would not otherwise have a voice, including those from harder- to-reach and minority groups. The process also opens up vital channels of communication with the community and a range of local partners and youth organisations.
4. The PCC has therefore contracted Leaders Unlocked to deliver a Lincolnshire Youth Commission on Police and Crime.
5. The project will take place over an **8-month** period and it will involve the following **phases of work**:
 - a) **Local mapping**: map out relevant local partners and community groups across Lincolnshire and understand the demographic make-up of the region through census data and other key information sources.
 - b) **Recruitment**: Drawing closely on this local mapping, proactively recruit 20-25 young people from diverse localities and demographic groups.
 - c) **Inaugural meeting - vision and priorities**: The newly-recruited Lincolnshire Youth Commission will come together in an inaugural meeting to shape the vision and set the key priorities for their term as members of the Commission.
 - d) **Skills training and tools**: Following this inaugural meeting, a skills training event will be delivered with the Youth Commission to equip the members with the professional training, support and tools they need to undertake high-quality peer research with other young people about their priority issues.
 - e) **The 'Big Conversation'**: The 'Big Conversation' will see the Youth Commission members going out to talk to other young people in their communities, with professional support. It will involve planning and delivering a wide range of outreach and consultation activities with a very diverse cross-section of the youth population in Lincolnshire. This process will engage at least 1,200 young people in meaningful conversations about the Youth Commission's key priorities.
 - f) **Analysis and Recommendations**: In the final stages, the Lincolnshire Youth Commission will come together to analyse their findings and develop viable recommendations for the PCC, police and partner agencies.
 - g) **Final conference and report**: The project will culminate with a final conference and showcase event, at which the members of the Youth Commission will present their key findings and recommendations to an audience of the PCC/ OPCC, police, partner agencies, and local community partners.
 - h) **Work with Lincolnshire Police**: Opportunities will be facilitated for the Youth Commissioners to inform and challenge the Force over this period, with possible involvement in the recruitment and training of officers, advisory input to police strategies and decisions, and scrutiny of performance in key areas such as Stop and Search.

A2. LINKS TO POLICE AND CRIME PLAN AND PCC'S STRATEGIES/PRIORITIES

This will support delivery of the following priorities, as identified within the Community Safety, Policing and Criminal Justice Plan 2017 – 2021:

Engage with the public of Lincolnshire regularly, openly and through multiple 'channels' recognising that 'one size' does not fit all including:

- Youth Advisory Group to seek the views of the young from a range of backgrounds including those in care.
- Community Commission to ensure the public voice is heard from across the breadth of the county.

B. FINANCIAL CONSIDERATIONS

The cost net of VAT (£24,880) will be met through the Development & Partnership Working reserve.

C. LEGAL AND HUMAN RIGHTS CONSIDERATIONS

[This should include the legal powers the PCC has for making the decision]

The Police and Crime Commissioner has a statutory obligation to engage with communities under the Police Reform and Social Responsibility Act 2011 (PRORA).

In addition, Section 143 of the Anti-social Behaviour, Crime and Policing Act 2014 provides Police and Crime Commissioners with powers to provide or commission services. Within the meaning of this section, a PCC may provide or arrange for the provision of:

- (a) services that in the opinion of the PCC will secure, or contribute to securing, crime and disorder reduction in the PCC's area
- (b) services that are intended by the PCC to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour
- (c) services of a description specified in an order made by the Secretary of State.

D. PERSONNEL AND EQUALITIES ISSUES

[This should include a copy of the Equality Impact Assessment, if required]

The Lincolnshire Youth Commission will be force-wide and will engage young people from a wide range of local areas across the region. In doing this work, one of the priorities will be to ensure that the cohort incorporates those who are not just 'the usual suspects', including under-served or more marginalised groups such as young people from Black and Minority Ethnic (BAME) backgrounds and those with experience of the Criminal Justice System (CJS) and other relevant life experiences (e.g. care-experienced young people, young victims, and those with experience of homelessness).

E. REVIEW ARRANGEMENTS

F. RISK MANAGEMENT

Through the review and evaluation arrangements as necessary.
