- **Question 1**

From – Alan Paul (Chair of Peterborough Neighbourhood Watch)

Subject – Lincolnshire Neighbourhood Watch

Question – I was recently informed that Lincolnshire Police no longer support the use of Neighbourhood Watch. I should be grateful if the Chief Constable could confirm and explain the force's position, and how this will be communicated to the residents of Lincolnshire?

- **Question 2**

From – Rev. Martyn Chambers

Subject – Roads Policing

Question – Why is a new team needed to be dedicated to policing the county's roads? What is the current roads policing unit doing? Is it not policing the roads?
