A. NON-CONFIDENTIAL FACTS AND ADVICE TO THE PCC

1. PROPOSED PRECEPT AND COUNCIL TAX REQUIREMENT 2024/25

Statutory Requirements

- 1.1 Schedule 5 of the Police Reform and Social Responsibility Act 2011 sets out the process for issuing a Precept, including the Police and Crime Panel's role in reviewing the proposed Precept, its power to veto the Precept and the steps to be taken in the event of the proposed Precept being vetoed.

- 1.2 Attached at Appendix 2 is a detailed guidance note issued by the Home Office which supports the process described above and includes reporting requirements together with the process for Police and Crime Panel scrutiny of the proposed Precept.

Summary of Precept and Council Tax Requirements

- 1.3 A detailed summary of the Commissioner's proposed Precept and Council Tax Requirement for 2024/25 is set out in the report attached at Appendix 1. The government has set the threshold for council tax increases, above which a local referendum would be triggered, at £13 per annum for a band D property. The Commissioner is committed to maximising service availability whilst continuing to invest in the right tools for the job to improve efficiency and is therefore proposing an increase in the police precept of £12.96 for 2024/25.
- 1.4 In 2021, the government had set the threshold for council tax increases for a three-year period, i.e. for 2022/23 to 2024/25, at £10 per annum for a band D property. The government subsequently increased the threshold for each year to 2024/25 but has not yet confirmed the threshold for 2025/26 and beyond. As a result, the Medium Term Financial Plan (MTFP) reflects a precept rise for 2025/26 and beyond of 2%.
- 1.5 Plans for investment in service developments in 2024/25 include:
- Maximise the number of police officers in the Force
 - Explore and exploit emerging technologies such as Facial Recognition to identify and apprehend criminals faster than ever before
 - Expand the successful Roads Policing "Operation Stronghold" – denying criminals use of the roads, keeping our communities even safer
 - Develop and use targeted approaches and teams to tackle issues such as summertime demand, rural crime, burglary and retail crime
 - Introduce rapid video technology – speeding up engagement with victims of crime, getting them the help they need even faster
 - Transform availability and quality of crime prevention advice and guidance to help keep communities safe from crime
 - Build on crime reduction results in local neighbourhoods, develop new ways to target organised criminality and drug supply in our communities
 - New approach to preventing and tackling anti-social behaviour to improve safety for all residents
- 1.6 Alongside the investments outlined above, the Force will be looking at developing operational efficiency and savings plans in light of the increasing forecast budget gap which reaches £16m by 2027/28.
- 1.7 The Police and Crime Commissioner's share of council tax is shown in the table below. This illustrates the impact of a £12.96 (4.45%) increase. The additional

cost to the majority of Lincolnshire council tax payers would be 22 pence per week or less.
